Beltone Rely™

# Trust in your hearing

Hear the sounds that matter the most

Your hearing loss shouldn't hold you back from living life. That's why Beltone Rely is designed to deliver a hearing solution with great sound quality, long-lasting rechargeability, and a comfortable design that fits you.

## Hear the full picture

Whether it's a date night out on the town or game night with friends, you'll never miss a thing. Beltone Rely is designed with our tested and proven technology that delivers a clear sound picture no matter where you are. The advanced technology allows both hearing aids to work together to help you focus on the most important sounds right in front of you, while still being aware of other sounds around you — even in noisy environments.

## Advanced technology that allows you to do more

With Beltone Rely, you'll have everything you need to feel confident in any sound environment. It's built with advanced technology that helps you manage multiple sounds at once, so you can always stay in control of your hearing. Now you'll be able to hear sounds comfortably with greater ease and easily manage any sudden noises that may occur, such as a sudden door slam.

A solution you can always **rely on**  
**Beltone Rely**

Taking the first step to better hearing is a big life moment. That's why it's important you can choose a reliable hearing aid — one that works for your hearing, lifestyle, and needs. A hearing aid that offers our tested and proven technology, reliable rechargeability, and connectivity features all at an affordable price. We believe it's time that everyone can go through each day with confidence and ease, knowing that you can trust your hearing.

# A long-lasting hearing solution

## Stay charged no matter where life takes you

Whether you're spending a day with the grandkids or getting away for the weekend, you'll never have to worry about stopping to recharge. Beltone Rely is made with a long-lasting battery and comes with two types of stylish and high-performance chargers you can trust: Premium and Desktop. The premium charger can also be used as a portable and protective case — ideal for travelling.

## Easy access to personalised care

## Connected to your life

Starting your hearing journey is a big moment — and we're going to be with you every step of the way. It's important to us that you get the most out of your hearing aids, so you can get the most out of life.

### Care at your fingertips

With our easy-to-use Beltone HearMax™ app, you'll find intuitive ways to easily control volume and adjust sounds directly from your smartphone or tablet. Now you'll always have a way to adapt Beltone Rely to your needs — right at your fingertips.

### Hearing care from anywhere

Get care from the comfort of your home with Beltone Remote Care Live. Our video chat feature lets you and your hearing care professional easily meet face-to-face, via the Beltone HearMax app, to quickly resolve any issues and remotely adjust your hearing aids. Or, simply chat with your HCP about other hearing-related questions whenever you're in need. No matter the task, you'll have access to customised care — even from afar.

Stay connected with all your favorite sounds via direct audio streaming from your iOS and Android™ device.

### Experience the ease of audio streaming

From hearing the voice of a loved one on the phone, to getting lost in your favorite audiobook, Beltone Rely delivers audio streaming right to your hearing aids.

### Make every moment count

You can also enjoy a movie night on TV with your family at your own volume, or stream your loved one's voice directly into your hearing aids, cutting out distracting sounds — all with the help of our Beltone wireless accessories. Choose from a range of devices that offer extra ways to enjoy an upgraded listening experience.

### Your hearing is always up-to-date

Whether you're at home or on the go, you can feel confident that your hearing aids can be upgraded remotely, anytime. Now you can enjoy the latest technology and app updates that ensure you'll always get the most out of your hearing aids.
